Business is applying for: Wholesale Distributor () Dealer ()

Wholesale Distributor: All wholesale distributors are required to purchase 4 pallets of mixed products every fiscal quarter in order to maintain distributor status. Initial order will be 2 pallets of mixed product. RNB will grant protected territory to distributors and will not sell direct to dealers in the protected territory as long as wholesale distributor status is maintained.

Dealer: All dealers are required to purchase 1 full pallet of mixed product as their initial order. Dealer must purchase at least 2 pallets per year to maintain their dealer status. If a wholesale distributor is in the dealers area, all orders will be placed through the wholesale distributor.
